## FRONT-END DEVELOPER

Motivated Front-End Developer with an engineering background in Electrical Engineering and currently pursuing a master's degree. Passionate about creating responsive, user-friendly web interfaces using HTML, CSS, JavaScript, and React. Quick learner with strong problem-solving skills, always eager to improve and stay up to date with the latest technologies. Looking to contribute to a dynamic team and grow as a developer.

---

## SKILLS

Communication Skills   JavaScript (ES6+)   React.js   Responsive Web Design   Bootstrap

Organization and Time Management   HTML5 / CSS3   TypeScript   Git/GitHub   Tailwind CSS

Problem Solving   Next.js

---

## WORK HISTORY

### Front-End Development Diploma Trainee

02/2025 to 09/2025

Gained hands-on experience in building responsive web applications using HTML, CSS, JavaScript, and React.

Practiced creating reusable components and applying modern ES6+ features. Worked on team projects, applying Git/GitHub for version control and collaboration. Learned best practices in UI/UX design, debugging, and performance optimization. Implemented small projects simulating real-world applications (e.g., weather app, ecommerce cart system).

---

## KEY PROJECTS

- Weather App (2025) – Real-time weather app with geolocation, 7-day forecast, and caching using JS + Fetch API. link:(<https://abdelrahmantarik22.github.io/weather/>)
- Game Development (2025) – Interactive browser games (state, collisions, score system) with Canvas/DOM + JS. link:( <https://abdelrahmantarik22.github.io/gameSite/>)
- Bookmark Manager (2025) – Chrome extension to save/organize bookmarks, tags & search, built with Chrome Extensions API + JS. link:(<https://abdelrahmantarik22.github.io/book-marks/>)
- Social App (React) – Register/Login, create/view posts, add/delete comments; client state with React, React Router, Context. link:(<https://social-site-rho.vercel.app/>)
- E-Commerce (Next.js) – Register/Login, product listing, cart, wishlist, online (Stripe) and cash payments using Next.js, React Query, Tailwind.

---

## EDUCATION

**Bachelor: Electrical Technology, 06/2024**

Helwan University - Cairo

---

## LANGUAGES

**Arabic** : Native      **English** : very Good
